<i>dangerous</i>	able to cause harm or injury
<i>concentration</i>	the ability to focus and pay attention
<i>regulation</i>	an official rule that must be followed
<i>reasonable</i>	fair and sensible

Dear Eman,

I hope you are doing well!

My new school is amazing. There is little pollution because the area is quiet and green. Our teachers are very creative and give us interesting projects. The classrooms are bright and comfortable, so it is easy to study. However, using phones in class is dangerous for our concentration. That's why the school has a clear regulation about mobile phones. I feel confident because the rules are reasonable and helpful for everyone.

Best wishes,
Fatima

3 Reading Comprehension

Read the following paragraph and answer the questions.

During Ramadan, my father planned an Iftar project to send food packages to the mosque every night. He told us the plan: my mother would cook the tasty meals, my brothers would pack the food with water bottles and dates, and I would check that everything was clean and fresh. Later, my brothers took the food to the mosque. They went early, before prayer time, and gave the packages to the men who came to pray. The men were happy and thanked us for the food. We felt good knowing that Allah had blessed our family and helped us do something kind for others. It made our community feel stronger and more connected.
